MEXICAN REBELS GATHERING
FOR THE FINAL STRUGGLE
VERA CRUZ, Mex. Jan. 22.—Re-
bels reaching here tonight reported
the rebels are concentrating in great
numbers at Puerto Mexico. It is
thought that this is but the prelimi-
nary to a united attack upon the ad-
vance upon the city of Mexico. The
Federal forces, well in command of all
the territory immediately surrounding
the City of Mexico, have successfully
repelled the many minor advances
which have been attempted by smaller
rebel forces.

Audrial Fletcher, in command of
the naval forces stationed off Vera
Cruz, received orders tonight to pro-
ceed at once to Puerto Mexico pre-
pared to render aid to foreigners in
the event of hostilities beginning there.

WILL VOTE ON R. R. BILL.
WASHINGTON, Jan. 22.—Tomorrow
will be legislative day, to continue it
was decided until a vote is finally
taken on the Alaska railroad bill.
President Wilson has strongly in-
timated his desire for the passage of
this measure.

PHILADELPHIA'S CREW TO BE DISCHARGED

SAN FRANCISCO, Jan. 22.—The
crew of the British ship Philadelphia
will be paid off and discharged here.
They will not be prosecuted. This
was decided upon here, following a
thorough investigation of the condi-
tions surrounding the overpowering
of the captain of the vessel during a
storm at sea this week and bringing
him into this port in irons.

According to the testimony of the
members of the crew, Captain Law-
rence, who had been drinking heav-
ily, apparently lost his reason, issued
orders which would have resulted in
the loss of his vessel and every one
on board, and it was decided to place
him in custody.

WILL FIGHT WITH BALLOT.

INDIANAPOLIS, Ind., Jan. 22.—
With delegates present from every
local union in its jurisdiction in the
United States, the United Mine Work-
ers of America, in their convention in
progress here, today adopted resolu-
tions declaring that the time has
arrived when, "owing to the present eco-
nomic condition of the country, as
well as the machinations of the inter-
ests in many places, it is time for the
laboring people of the United States
to come together in the organization
of a political party."

Though the resolution met with op-
position in the convention, the fight
was over designating a specified party
title for the proposed organization.
This opposition was overcome by ref-
erencing the resolution any elimi-
nating from the name of the proposed
party.

WESTERN FUEL HEAD DIES.

OAKLAND, Jan. 22.—John L. How-
ard, president of the Western Fuel
Company, dropped dead here today.
Apoplexy was the cause.

Howard had been the center of the
government investigation of the af-
fairs of the Western Fuel Company,
and with other members of the com-
pany was charged under the Sherman
act with illegally operating in re-
straint of trade and other alleged of-
fenses.

The cases are still in progress.

FIRE DESTROYS MUCH COTTON.

FORT WORTH, Tex., Jan. 22.—
Property to the value of \$375,000 went
up in smoke today, the result of a
fire which started in the plant of the
Trinity Compress Company, one of
the largest cotton firms in Texas.
Forty-five hundred bales of cotton,
ready for shipment, were destroyed in
the plant. The fire spread to the
railroad yards and before the cars
could be pulled out of danger 13 cars
loaded with cotton were also destroy-
ed.
Thirteen dwellings in the neighbor-
hood were burned to the ground be-
fore the fire was finally controlled.

GRAND JURY ON SULZER.

NEW YORK, Jan. 22.—The grand
jury of New York was assembled to-
day for the purpose of beginning what
promises to be a thorough investiga-
tion of Sulzer's sensational charges
against Boss Murphy, the Tammany
leader.

In his testimony before the hearing
of charges against the highway com-
mission Wednesday, Sulzer openly
charged that during the hearing of
the impeachment charges against him
Murphy sent a messenger to him
agreeing to call off the trial if he
would agree to quit in his investiga-
tion of the state departments.

SUFFRAGISTS WILL VISIT

WASHINGTON, D. C., Jan. 22.—
Once more the suffragists of the United
States are to march upon the cap-
itol.

AFTER MEASLES Whooping-Cough or Scarlet Fever

is a critical period—weakened
throats, delicate bronchial tubes and
unsound lungs often follow; some-
times impaired sight or hearing.
But if SCOTT'S EMULSION is
taken promptly and regularly after
the fever subsides it quickly re-
stores pure blood and strengthens
the lungs. Its nourishing force re-
stores appetite, strength and energy.
SCOTT'S EMULSION contains
just the elements nature
requires to restore sound
health; it is totally free
from alcohol or harmful
drugs. Children relish it.

White house and personally plead with
President Wilson to include "Votes for
women" in his administration policy.
Once before President Wilson met
the suffragists on the White house
steps, greeted them cordially, but re-
fused to insist upon having Congress
accept his views, no matter what they
are, on this question. In view of the
party pledges which he felt were of
greater importance.

The decision to make the second
appeal to the president was made by
the Suffragists' Congressional Union
today.

February 2, was the date fixed for
carrying the plan into execution. It
is claimed that thousands will take
part.

TAFT EVER FOR PEACE.

NEW YORK, Jan. 22.—William H.
Taft, former president of the United
States, in an address before the Peace
Society here today, strongly urged the
enactment of a law by Congress to
give federal courts jurisdiction to pre-
vent and punish crimes and mob vi-
olence against aliens.

INDIGESTION, GAS OR SICK, SOUR STOMACH

Time it!—"Pape's Diapiesin" makes
your upset, bloated stomach feel
fine in five minutes

"Really does" put bad stomachs in
order—"really does" overcome indig-
estion, dyspepsia, gas, heartburn and
sourness in five minutes—that's just
that—makes Pape's Diapiesin the
largest selling stomach regulator in
the world. If what you eat ferments
into stubborn lumps you belch gas
and eructate sour, undigested food and
acid; head is dizzy and aches; breath
foul; tongue coated; your insides filled
with bile and indigestible waste, re-
member the moment "Pape's Diapiesin"
comes in contact with the stom-
ach all such distress vanishes. It's
truly astonishing—almost marvel-
ous, and the joy is its harmlessness.
A large fifty-cent case of Pape's Dia-
piesin will give you a hundred dollars
worth of satisfaction or your druggist
hands you your money back.

It's worth its weight in gold to men
and women who can't get their stom-
achs regulated. It belongs in your
home—should always be kept handy
in case of a sick, sour, upset stomach
during the day or night. It's the
quickest, surest and most harmless
stomach doctor in the world—adver-
tisement.
